Research Interests

Time Use. Families. Social Stratification.

Sequence Analysis. Computational Social Science.

High Performance Computing.

Education

2015–current DPhil Student in Sociology.
University of Oxford. Nuffield College. UK.

2012-2014 MA in Sociology. University of Geneva. CH.

2008-2011 BA in Sociology & Anthropology.
Université Libre de Bruxelles. Belgium.

Visiting

2017 (Aug-Dec) Cornell University, Department of Sociology. USA

2017 (April) National Institute for Demographic Studies (INED), France.

2014 Boston University, Department of Sociology. USA

Publications

- 2018 Vagni, G. & Cornwell, B. (2018). "Patterns of everyday activities across social contexts." *Proceedings of the National Academy of Sciences*. doi: 10.1073/pnas.1718020115
- Vagni, G. (forthcoming). "Family Time at the turn of the 21st century." In J. Gershuny and O. Sullivan (Eds.) *The Great Day* (pp. 220-265). London:Penguin Books.
- Bolzman, C., & Vagni, G. (forthcoming). "And we are still here: Life courses and life conditions of Italian, Spanish and Portuguese retirees in Switzerland." In I. Vlase and B. Voicu (Eds.) *Gender, Family, and Adaptation of Migrants in Europe. A Life Course Perspective* (pp. 75-97). London:Palgrave Macmillan.
- 2016 Bolzman, C., & Vagni, G. (2016). "Forms of care among native Swiss and older migrants from Southern Europe: a comparison." *Journal of Ethnic and Migration Studies*, 43(2), 250-269.
- 2015 Bolzman, C., & Vagni, G. (2015). "Égalité des chances? Une comparaison des conditions de vie des personnes âgées immigrées et nationales." *Hommes & Migrations*, 1309, 19-28.

Awards

- 2018 Doc.Mobility (Swiss National Science Foundation)
- 2017 Brettschneider Exchange Fund (Cornell University)
- 2015-2018 ERC Scholarship. University of Oxford.
- 2016 Best Student Paper Award (Bronze). 38th International Association for Time Use Research. Seoul, Korea, July 22, 2016.
- 2014 Prize of Best Master Thesis - Sociology. University of Geneva.

Expertise

- Languages R (*expert*), Rcpp, Python (*intermediate*), C++ (*beginner*)
- Statistics Sequence Analysis (*advanced*), Clustering Analysis (*intermediate*), Ordinary Least Squares (*intermediate*), Structural Equations

	Modelling (<i>intermediate</i>), Multiple Correspondence Analysis (<i>intermediate</i>), Network Analysis (<i>intermediate/beginner</i>)
Tools	RStudio, Shiny, WEKA, Ucinet, NetLogo, SPSS L ^A T _E X, Word, Excel, InDesign, VIM HTML, MySQL, Github Experience in using ARCUS (Oxford Supercomputing facilities)

Under Review

Vagni, G. (2017) “From Constraints to Culture. The Social Stratification of Parental Time.”

Vagni, G. (2017) “Alone Together: Gender Inequalities in Couple Time”.

Working Papers

Vagni, G., and Widmer, E. (2018) “Couple Time and Partnership Quality: an Empirical Assessment using Diary Data.” doi: 10.17605/OSF.IO/K7NXM

Vagni, G. (2017) “All You Need is Love. Searching for Causal Effects of Spouse on Enjoyment.”

Vagni, G., and Sullivan, O. (2017) “Couple Work-schedules and the Division of Labor.”

Affiliations and Academic Memberships

Affiliate	Centre for Time Use Research (CTUR). Oxford; Nuffield College. Oxford; Sociological Research Institute (IRS). University of Geneva; Center for the Study of Inequality (CSI). Cornell University.
Member	European Sociological Association (ESA); International Sociological Association (ISA); RC-28; The Royal Statistical Society (RSS); International Association of Time Use Research (IATUR); British Society for Population Studies (BSPS).
