<https://www.sociology.ox.ac.uk/people/giacomo-vagni.html>

## Research Interests

Time Use. Families. Social Stratification.

Sequence Analysis. Computational Social Science.

High Performance Computing.

## Education

2015–current      DPhil Student in Sociology.  
University of Oxford. Nuffield College. UK.

2012-2014        MA in Sociology. University of Geneva. CH.

2008-2011        BA in Sociology & Anthropology.  
Université Libre de Bruxelles. Belgium.

## Visiting

2017 (Aug-Dec)    Cornell University, Department of Sociology. USA

2017 (April)        National Institute for Demographic Studies (INED), France.

2014                Boston University, Department of Sociology. USA

## Publications

- 2018 Vagni, G. (forthcoming). And we are still here: Life courses and life conditions of Italian, Spanish and Portuguese retirees in Switzerland. In I. Vlase and B. Voicu (Eds.) *Gender, Family, and Adaptation of Migrants in Europe. A Life Course Perspective* (pp. 75-97). London:Palgrave Macmillan.
- 2018 Vagni, G. (forthcoming). Family Time: Fifteen years of change. In J. Gershuny and O. Sullivan (Eds.) *The Great Day* (pp. 220-265). London:Penguin Books.
- 2016 Bolzman, C., & Vagni, G. (2016). Forms of care among native Swiss and older migrants from Southern Europe: a comparison. *Journal of Ethnic and Migration Studies*, 43(2), 250-269.
- 2015 Bolzman, C., & Vagni, G. (2015). Égalité des chances? Une comparaison des conditions de vie des personnes âgées immigrées et “nationales”. *Hommes & Migrations*, 1309, 19-28.

## Awards

- 2018 Doc.Mobility (Swiss National Science Foundation)
- 2017 Brettschneider Exchange Fund (Cornell University)
- 2015-2018 ERC Scholarship. University of Oxford.
- 2016 Best Student Paper Award (Bronze). 38th International Association for Time Use Research. Seoul, Korea, July 22, 2016.
- 2014 Prize of Best Master Thesis - Sociology. University of Geneva.

## Expertise

- Languages R (*expert*), Rcpp, Python (*intermediate*), C++ (*beginner*)
- Statistics Sequence Analysis (*advanced*), Clustering Analysis (*intermediate*), Ordinary Least Squares (*intermediate*), Structural Equations Modelling (*intermediate*), Multiple Correspondence Analysis (*intermediate*), Network Analysis (*intermediate/beginner*)

Tools	RStudio, Shiny, WEKA, Ucinet, NetLogo, SPSS $\LaTeX$ , Word, Excel, InDesign, VIM HTML, MySQL, Github Experience in using ARCUS (Oxford Supercomputing facilities)
-------	---

## Affiliations and Academic Memberships

Affiliate	Centre for Time Use Research (CTUR). Oxford; Nuffield College. Oxford; Sociological Research Institute (IRS). University of Geneva; Center for the Study of Inequality (CSI). Cornell University.
Member	European Sociological Association (ESA); International Sociological Association (ISA); RC-28; The Royal Statistical Society (RSS); International Association of Time Use Research (IATUR); British Society for Population Studies (BSPS).

## Communications

2017	<p>“From Constraints to Culture. The Social Stratification of Parental Time”. <i>RC 28 Conference. International Sociological Association</i>, 8th of August. Columbia University, USA.</p> <p>“All You Need is Love. Searching for Causal Effects of Spouse on Enjoyment”. <i>PopFest 2017</i>, 1-3 June. University of Stockholm, Sweden.</p> <p>“From Constraints to Culture. The Social Stratification of Parental Time.”. <i>DPhil Conference 2017</i>, 25th of May. University of Oxford, UK.</p> <p>“From Constraints to Culture. Social Class Gradient in Early Parental Transmission of Cultural and Developmental Resources”, 4th of April. National Institute for Demographic Studies (INED), Paris, France.</p> <p>“From Constraints to Culture. Social Class Gradient in Early Parental Transmission of Cultural and Developmental Resources”. <i>ECSR Spring School Turin</i>, 13-17 March. Collegio Carlo Alberto, Italy.</p>
2016	“Inequality and Family Time”. <i>Time Use Workshop</i> , 29th

- of November. University of Tampere, Finland.
- “Family time and Stratification”. *Social Inequality Research Group*, 15th of November. Department of Social Policy, University of Oxford, UK.
- “All You Need is Love. Searching for Causal Effects of Spouse on Enjoyment”. *38th IATUR Conference*, 20-23 August. Seoul University, South Korea.
- “Modelling Sequence Activities”. *NCRM 7th ESRC Research Methods Festival*, 5-7 July. Bath University, UK.
- “All You Need is Love. Searching for Causal Effects of Spouse on Enjoyment”. *Graduate Research Seminar*, 6 June. Nuffield College, UK.
- 2015 “Embodied Capital Accumulation and Employment Trajectories”. *Time Use in Britain Conference*, 9-10 November. University of Oxford, UK.
- “Time Together and Partnership Quality”. *12th Conference of the European Sociological Association*, 25-28 August. Prague, Czech Republic.
- “Exploring Co-Presence Data in the UK Time Use 2000”. *37th IATUR Conference*, 5-7 August. Ankara, Turkey.
- 2014 “Sharing Free Time”. *36th IATUR Conference*, 5-7 August. University of Turku, Finland.
- 2013 “Un samedi dans la vie des couples en Suisse”. *Research Seminar in Statistics for Social and Population Sciences*, University of Geneva, Switzerland.
